

# **MPI International Survey**

**Atsushi Hori, RIKEN CCS  
George Bosilca, UTK/ICL  
Emmanuel Jeannot, INRIA**

# From the ECP Survey

- Inspired by the ECP survey (Dec. MPI Forum, 2017)
  - My “MPI” and your “MPI” might be different
- To reveal the country/region differences, if any
- ECP survey targeted to MPI experts
  - from novice to experts
- Easier to answer to have more number of answers (ECP survey was very stressful)
  - Only 27 questions (**ECP has 64!**)
  - Only one question requiring text
