MPI 2.2

- Discussed Ground Rules with Examples
  - Agenda for the next meeting will be drafted at the interim telecon
- Drafts of Changes
  - Karl to propose sparse alltoall
  - Jeff, Bill to work up their errata
  - Need Volunteers for others
- Sense of Forum: C++ SEEK_SET etc.
  - Should we propose withdrawing MPI::SEEK_SET and use MPI_SEEK_SET etc, similar to MPI_VERSION (both C and C++ name)
